Department of Mathematics University of Toronto

The first annual
R.A. Blyth Lectures in Mathematics

Professor Peter C. Sarnak
Princeton University

will give three lectures on

Arithmetic Quantum Chaos

Quantization and Hyperbolic Manifolds
Monday, March 15, 1993
at 4 pm
Sandford Fleming Building
Room 1105

Arithmetic Quotients and their Spectra
Wednesday, March 17, 1993
at 4 pm
Sidney Smith Hall
Room 5017A

L-Functions and Automorphic Forms
Friday, March 19, 1993
at 4 pm
Sidney Smith Hall
Room 5017A

150 years
Mathematics
at University
of Toronto
