

T.A. Orientation — September 2012 for Mathematics

There will be a general orientation session for all Math TAs on

Friday, September 7, 2012

1—2 PM in BA 1130, 40 St. George Street

The session is compulsory for all TAs in Mathematics (including the math courses in Engineering). It will tentatively include:

- Introduction by the Undergraduate Coordinator (A. Igelfeld) < 5min
- Remarks by Ms. Paddy Stamp, University Sexual Harassment Office
- Remarks by a representative of the Office of Student Academic Integrity, on cheating and invigilation
- Remarks by the Writing Instruction TA
- Remarks by a CUPE rep. 15 min

Some courses with multiple tutorials have scheduled their first TA meeting with supervisors, to hand out materials and discuss course-specific issues, at 2-3 PM the same day. Other supervisors may choose to do the same and their choices will be announced at the 1 PM session.
