On mathematics:

On mathematicians:

Used and new copies are available for purchase or for rent at the UofT bookstore, and have also been placed on course reserve in the mathematics library (6th floor BAhen). Make sure to get the 3rd (rather than the 2nd) edition.

Of related interest:
Fields’ Medallist and Wolf Prize winner S.-T. Yau (Harvard) will give a public lecture on “The Shape of Inner Space” at 6 pm Wed. Jan 19, 2011 in the Earth Sciences Auditorium (5 Bancroft Ave). Advance registration [http://www.fields.utoronto.ca/](http://www.fields.utoronto.ca/) is mandatory by Jan. 18 at latest). Extra credit will be given for discussing your response to this lecture as part of your first journal entry.

Scholarships to spend a semester studying Math in Moscow are available at [http://cms.math.ca/Scholarships/Moscow/](http://cms.math.ca/Scholarships/Moscow/)
