Department of Mathematics  
T.A. Orientation

Friday, September 6, 2013

1—2 PM in BA 1180, 40 St. George Street

The session is compulsory for all TAs in Mathematics (including the math courses in Engineering). It will tentatively include:

• Introduction by Prof. Eckhard Meinrenken, Associate Chair Undergraduate

• Remarks by a representative of the Office of Student Academic Integrity, on cheating and invigilation

• Remarks by Ms. Paddy Stamp, University Sexual Harassment Office

• Remarks by the Writing Instruction TA

• Remarks by a CUPE rep. 15 min

Some courses with multiple tutorials have scheduled their first TA meeting with supervisors, to hand out materials and discuss course-specific issues, at 2-3 PM the same day. Other supervisors may choose to do the same and their choices will be announced at the 1 PM session.

Break up by courses: Location

• MAT133Y BA 6180, 40 St. George Street (Mon., Sept. 9, 5-6PM)

• MAT135F &136S BA 6183, 40 St. George Street
