

Dror Bar-Natan: Classes: 2003-04: Math 1350F - Knot Theory:

Homework Assignment 4

Assigned Thursday October 2; due Thursday October 9 in class.

Required reading. Chapter 4 of Lickorish's book.

To be handed in. Lickorish Chapter 4 problems 1 and 3.

Idea for a good deed. Draw excellent pictures (a "cartoon proof"?) demonstrating the various steps of the proofs of the theorem about alternating knots/links.
