

## MAT223 READING AND REFLECTION 8

---

### Reading Assignment.

The following reading assignment will help prepare you for Reading Quiz 8, which is due on Quercus no later than **Monday, March 10th, by 11:59pm**.

1. Read the proof of Proposition 7.23 from the [course lecture notes](#).
2. Watch [this 3Blue1Brown video](#) on Eigenvectors and Eigenvalues.

### Reflection Assignment.

This week, we'd like you to reflect on your experiences with challenging mathematical topics. Watch [this short "Words of Wisdom" video](#) from [Emily Riehl](#), and then fill out Reflection Survey 8 on Quercus.
